THE LAST DAY

Homeward Bound

The Christian Church State Convention has come and gone and left many delightful memories. It was a reunion of Christian people, and many old soldiers of the Cross lived life over again in recounting to each other reminiscences of other pastoral days. It was a happy reunion of old friends and pleasant introduction to each other of persons who had never met before. There were many delightful surprises in the sudden and unexpected meeting of former acquaintances and of persons one knew all about but had never seen.

The weather smiled lovely upon the Conven tion, and everything that had been planned and hoped for came off without hindrance or disappointment. The hearty welcome in the homes Just received, another line of Side and where delegates were entertained as guests was felt and appreciated by them, and they returned to their homes feeling that it was good to be in Maysville.

> The Convention showed its high appreciation of a good man and indirectly complimented his nome town, in which they had been royally received and cared for, when it by acclamation elected Mr. James T. Kackley President of the Sunday-schools of the state for the ensuing year to succeed the retiring President, Attorney Ed S. Jouett of Winchester.

This was a well deserved recognition of Mr. Kackley's faithful services as a Sunday-school worker and advocate, and we predict that the Sunday-schools of Kentucky will greatly flourish

REPUBLICAN CONVENTIONS.

At a meeting of the Committee of the Republican party of the Nine teenth Judicial District, held at the St. Charles Hotel in the city of Vanceburg, Ky., on Wednesday, September 6th, 1905, for the purpose of calling a Convention to nominate a candidate for Commonwealth's Attorney for said District, to be voted for at the November election, 1905, it was agreed and so ordered that a Mass Convention be held in each county by the Republican party in said Nineteenth Judicial District, and the same to be called by the Chairman and Secretary of the County Executive Committee of each county; and the said Convention to be held at the county seat in each county on Saturday, September 30th, 1905. at 1 p. m; and that said County Convention in each county select delegates to attend the District Convention, which will be held in the Courthouse in the city of Vanceburg on Monday, October 2d, 1905, at 1 o'clock p. m.; that each county will be entitled to 1 vote for each 100 votes cast for President Roosevelt for President and 1 vote for each 50 votes or over so cast at the November election, 1904. GEORGE E. DUNBAR.

A. H. Parker, Secretary

Pureant to the above call by the District Chairman, the Republicans of Mason county will meet in mass convention at the Courthouse, Maysville, Saturday, September 30th, 1905, at 1 o'clock p. m., to select delegates, as per the rule mentioned above, to the District Convention to be held in Vanceburg Monday, October 2d, 1905, for the purpose of nominating a can didate for Commonwealth's Attorney for said District.

W. E. STALLCUP,

Chairman Nineteenth Judicial District.

Chairman Mason County Republican Executive Committee. A. M. January, Secretary.

I'D rather sit in the Gallery in Maysville than in a Private Box in Philadelphia or New York.

Even in the big cities of the East, where politics is one of the fine arts, people are too busy to give attention to the Bosses. Republican Prosperity is everywhere.

With the State Convention of the Christian Church and the Reunion of the Tenth and Sixteenth Kentucky Veterans, Maysville has had a rousing good time; and so have our welcome visitors.

TOTHER day I heard a discussion in a large Eastern city as to whether we'd know each other in Heaven; and I couldn't help thinking what useless speculation it was, inasmuch as the people of that city didn't now know their nextdoor neighbors.

WHILE I was down in the neighborhood of THE LIVER QUARANTINE sunrise, enjoying the good things that grow only in the sea, some devoted friends took up the idea that I ought to be sent to Frankfort, where certain Wise Men make laws that hinder Kentucky's Progress. This desire took public expression as follows-

From The Dover Public Messenger.

At today's Republican County Convention at Maysville Editor THOMAS A. DAVIS is tipped for the nomination for Representative in the Lower House of the General Assembly. While Editor DAVIS is an active and courageous partisan, he is first a brainy, broad, liberal and patriotic American citizen, who sees the magnificent future possibilities of his native Kentucky, and is ever ready with voice and pen to hurry up the work of development. Disparaging not the claims of other candidates, we are honest in saying and believing that should Mr. DAVIS be elected he is certain to win the highest praise in the State Legislature and to advance the interests of Mason county along the lines of natural and prompt development through practical statesmanship.

From The Louisville Herald.

Republican nominations for the Legislature so far give hope of better conditions in the Legislature than have for a long time prevailed. The Republicans of Mason county speak, we are happy to note, of placing the Hon. THOMAS A. DAVIS, Editor of THE MAYSVILLE PUBLIC LEDGER, in nomination for Representative from their opulent and intelligent county. No better choice could made. A united effort on the part of the Republicans of Mason ought to land Mr. Davis in the General Assembly, where he would certainly prove a power for party good and sound legisla-

Well, the Convention met and my name was presented by Colonel C. C. Degman. Very promptly another was proposed, when Colonel DEGMAN did me the favor of withdrawing my

I would much rather have the regard of my brethren of the Press than to have the doubtful honor of an empty nomination; for I am told that the Chairman of the Convention, in urging candidates to accept places on the ticket, assured them that they would "not be burdened with the office!"

So it looks quite like the nominees were simply put up to be knocked down—a sort of Annex to Democratic Success.

If I'm wrong, I'm misled by the Chairman's inconsiderate declaration.

Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ills assail the man who endeavors to economize time at the ex-pense of his health.

A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness. ¶In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and blader affections. No well-regulated family should be without this standard remedy. Two sizes, 25c and 75c. All druggists.

BABY GIRL'S AWFUL HUMOR

Would Scab Over, Break Open, and Be Raw - Intense Suffering for Two Years - Doctors and Medicines Failed to Help Her.

CURED BY CUTICURA AT COST OF 75 CENTS

Writing under date of Aug. 15, 1904, Mrs. L. C. Walker, of 5 Tremont St., Woodfords, Me., says: "My sister had a terrible humor on her shoulder when she was eighteen months old, causing intense suffering for two years.
We had several doctors, and tried everything, but in spite of all we did it kept spreading. One day it would scab over and then crack open and a watery matter ooze from it and the scabs would all fall off. It would be raw for a time, then scab over again. Some one recommended Cuti-cura, and we immediately procured a box of Cuticura Ointment, and a cake of Cuticura Soap. She was much bet-ter after the first bath with warm water and soap, and an application of the Ointment. Before it was half gone we saw a marked change for the better, and she was entirely cured, without a scar being left, by the one box of Ointment and one cake of Soap. Her skin is now entirely clear, and she has not had a sign of trouble since."

A single appliings, and chafings. A single application of Cuticura Ointment, preceded by a warm bath with Cuticura Soap, gives instant relief, and refreshing sleep for skin-tortured babies, and rest for tired, fretted mothers.

HOW IT STICKS

Maysville Has Found It Hard To Shake Off

Hard to bear, harder to get rid of. Is any itching skin complaint, Eczema or Itching Piles.

Doan's Ointment relieves and cures All itchiness of the skin. Maysville people indorse this statement: Mrs. Kate Poth, living at the corner of Clark

street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy, procured at J. Jas. Wood & Son's Drugstore. For a long time I had an itching or eczema of the scalp. It broke out in spots, and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and was then so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble, and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend of mine also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used

Doan's Ointment, and was absolutely cured." Forsale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sele agents for the United States.
